

Sandon Road Methodist Church.

Newsletter 10 October 2013.

Table Top Sale. We had a successful sale with all the table being taken and lots of people in attendance. The church made over £600 which is good news and helps to keep us going.

Church Charity for 2013/14. We are continuing with the Alzheimer charity.

Paul has finally moved to South Wales. The sale and move went through in 8 days. We wish him well and as he comes up to Birmingham now and again he may pop in for a visit. Paul's expertise made a significant contribution to our Property meetings.

News and views. What else could we start with but the privatisation of the Post Office. I don't think we were too impressed. This led on to governments versus unions, another one for debate. The sad story of the Irish lady who had to come to England to have an abortion as she had a seriously malformed unborn child and the Catholic Church/Irish Government said no! At the other end of the age line, euthanasia, another tricky one. The hard decisions that social workers have to make with some parents so adept at lying regarding their children. Next meeting is 16th November 10:00 for 10:30.

Brownies had a great time at Milton Court working with the residents to produce place mats and bookmarks along with a sing song. The residents of Milton Court have been invited to our Carol Service and we hope to have the youth organisations provide some of the music.

Diary Dates:

16th Nov. 2013. News and Views. 10:00 for 10:30 to 11:30
26th Nov 2013. Advent Classes start 10:00 for 10:30

4th May. 2014. Church Anniversary and Gift Day. 11:00

Wrinklies Puzzle.

Last months' puzzle(32): Tony and Tina go shopping. On the way home Tina says "Hey! If you gave me one of your bags I'd have twice as many as you, but if I gave you one of mine we'd have the same number each. How many bags were they each carrying?"

Answer: Tony has 5 bags and Tina has 7.

This month's puzzle(64): Lucy met a pig and a goat in the woods and asked them what day it was, knowing full well that pigs always tell lies on Mondays, Tuesdays and Wednesdays and goats always tell lies on Thursdays, Fridays and Saturdays. The pig said "Yesterday was one of my lying days". The goat said "Yesterday was one of my lying days too". So what day is it?
